Living on a cold and wet island surrounded by the North Sea, you could forgive us Brits for the general pandemonium that ensues, when those first warming rays of sun strike out. They bring promise of a long hot summer spent lolling in deck chairs, accompanied by various burnt on the outside undercooked on the inside pieces of meat and lukewarm beer, because due to our climate we've never really needed to get to grips with refrigeration or barbeques. So as the days grow longer and the air warmer just remember, British summers rarely last for more than two weeks but Club and all the beautiful girls between its pages will always be there come rain or shine!

Dear Club,

I live in small town. Small in size, small in attitude, and as a 23-year-old female with a burgeoning chest and sex-drive, I've frankly exhausted the talent here. So I go to town to get my rocks off. Truth to tell, it's the females that have been catching my eye lately. There's just something so appealing about acres of breast-flesh pouting out over a basque, or a deep cleavage busting out of a tight shirt.

Yes, that's right, I like my ladies to have as ample a bosom as myself; to feel breasts straining against mine as we kiss. I've held a few hefty bosoms in my hands over the years, but the most intensely erotic lesbian encounter I've ever had was a just a few weeks ago at a cinema in Soho.

I'd gone down there on a rainy afternoon to see a flick called *Answers Come In Dreams*, an erotic comedy about two lovers whose dreams lead them to each other, and then some seriously hot loving. I settled in at the cinema next to a rather enchanting brunette with a cleavage that could take your eye out and make you glad to go blind in the process. The film skipped along at quite a pace; and the racey black and white dream scenes soon had me wriggling in my seat.

At one point the screen-guy had one hand on the screen-girl's throat and one jammed up her pussy, thrusting in and out of her while the two of them kissed with tender passion. I had this sudden urge to play with myself, like I didn't give a fuck about what anyone else in the cinema would think and I was only concerned with my pleasure, but I controlled it – just. Instead, I contented myself with crossing my arms over my breasts and discreetly brushing over my nipples with my thumbs. The brunette next to me cast me a glance and shifted in her seat; and all the while the action on screen was getting steamier. Screen-guy was naked now, lying in the spooning position behind screen-girl. He was holding her wrists behind her back while whispering what he was about to do to her in her ear, his hard-on pressing into her buttocks as she ground back against him, although he wasn't inside

her yet. My little brunette was slowly moving down in her seat – meanwhile, her skirt stayed put, exposing lacy white panties to my gaze. 'Nice', I thought, my nipples button hard under my fingers as I wondered whether that aroma of pussy juice hitting my nostrils was mine or hers.

Then, right before my very eyes, she started to rub the gusset of her panties, flicking a glance up in my direction to see if I was watching her. When she saw that I was, she didn't stop – far from it. In fact, as screen-guy penetrated screen-girl with slow, definite stabs, screen-girl's hands free now to claw the sheets as he twisted his hand in her hair and bit her neck, my brunette slid a finger under her gusset and stroked her naked pussy!

Well, I couldn't have that. Sex throbbing, I placed my hand on the brunette's thigh and batted her busy hand away with a swipe. I wanted to play. She didn't object, and let me slide my middle finger under her panties, feeling a smooth mound slick with juices to the touch. The hard nub of her clitoris was directly beneath my finger, I pressed on it gently before slipping along the length of her slot until I found the entrance to her sex. Pressing insistently down with my finger, I wriggled my finger inside the squidgy confines of her sex.

The brunette's skirt was pressing against my wrist, her panties at my fingers, it was a tight fit and the pussy I was squeezing into was tighter still. She was enrapt in the movie, screen-guy had developed an all over sweat as he slowly pumped screen-girl, her body

shuddering with every thrust.

Finally, my finger was all the way inside the brunette's sex. Her pussy beat and pulsed around me, slick walls pulling at my fingers. I twisted my finger around inside her, crooking it to stroke her pussy walls. I was too restricted to pump in and out of her, she was going to have to do that herself. I worked another finger up her, her muscles tightly contracting around me as I did so, my palm resting on her mound and clit over her knickers. She ground into the whole kit and caboodle, her movements in synch with the guy on the screen, her cunt grinding on my hand while that delicious bosom of hers jiggled up and down.

I wanted to get more inside her, to stretch this girl wide open and have her fuck my hand. With some difficulty, I wrested a third finger inside, watching her mouth, parted with pleasure, her heaving chest, and the now fast, deep rutting of the couple on screen with the satisfying thwack of flesh against flesh.

The brunette squirmed onto my hand, gripping the arms of the chair and thrusting her pelvis down onto my hand, desperate to cum as her lips slapped wetly against my knuckles, her sex churning as she thrust shamelessly back and forth, fucking my fist. Moaning through a clenched jaw, she came, and just as screen-guy's face contorted in pleasure as he thrust into screen-girls firmly-held hips, so she bucked and squirmed on my palm, her juices running out and squidging over the side of her panties. Once her quivers had subsided, I withdrew my hand and lifted it to her mouth for her to lick clean. I spent the remainder of the film with my hand on her wet pussy, which increased the pleasure of the viewing experience threefold.

EMMA ♣

Here's a cheeky start to the proceedings with Emma Leigh opening the batting. And yes, we saw you make a move towards your inside leg, which is exactly what we did after gazing upon these BB Media snaps. Now, we have a little confession to make. We

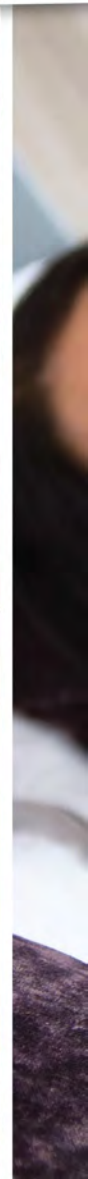

have to admit that Leigh's bounty hasn't blessed the pages of Club since issue 42.09! We tried to work out how this travesty had occurred, but seeing as all our blood had rushed elsewhere our brains were a little dumbfounded, as I'm sure yours is right now. Enjoy! ♣

T♣AL RECALL

Now Charlie here from Club Vol.22 No.05 is a lady that demands your attention, and she certainly caught the gaze of Alan from Braintree, back when Naomi Campbell was still dating Mike Tyson. "From the moment my eyes fell upon Charlie and her riding crop I couldn't stop tugging the cracker. Even after Club 22.08 came out I still kept going back to that issue. A phenomenal set!" Well Alan, we couldn't agree more after digging out a copy from our vintage porn cellar and blowing the dust off. What a corker Charlie is here playing Lady of the manor. Now, who's turn is it to be Mellors? I'm game if you are!

MIELA 

Casual beauty Miela can think of more than a few ways to relax, and between you and me some of them are downright filthy. So here's what the sextstress had to say when we asked her how she liked to unwind.

"With a dick in each hand preferably. Though one is good, you just can't beat having two to play with and knowing that you're going to be filled to the brim!"

Miela knows what she wants and who could possibly deny this saucy girl her desires. ♣

Homeland - Season 5

DVD £21.99, Blu-ray £26.99

If you thought the first season of *Homeland* was enjoyable, then you're in for a treat with the 5th as best season yet. The dramatic spy thriller kicks off with a solid start, set two years after the previous season in Berlin, full of twists and turns you would never have anticipated, from German politics to tense East-West relations and topical references to ISIS threats, even the Doberman Putin gets a mention.

For Carrie Mathison (Claire Danes) it's a real game changer, having left the CIA and started working for a philanthropic foundation, she soon realises that she's the new target, facing kidnappings, murder and all the shenanigans expected from a spy thriller. The danger intensifies as the season unfolds tapping into the fears raised by terrorism and the sacrifices taken by those who challenge it. Several new characters appear in this season, including Miranda Otto as a CIA station chief, Allison Carr, who has what you would call a double persona whose betrayal is revealed causing further complications for series regular Saul Berenson played by Mandy Patinkin.

Verdict: Carrie Mathison is yet again roaming the streets, European ones to be exact, as Season 5 provides yet another series of traumatizing events that will most certainly make you hungry for Season 6, even Saul's tidy beard is back. So what are you waiting for? Go on get stuck in!

Victor Frankenstein

DVD £9.99, Blu-ray £14.99

A film that emulates Frankenstein's creature in all its stumbling and mismatched oafishness. Not quite fitting a remake or an origin, Paul McGuigan's vision sits awkwardly as a screen spin-off of Mary Shelley's original novel, although a version that possibly never should have been brought to life, much like the creature Igor (Daniel Radcliffe) and the wealthy Dr Frankenstein (James McAvoy) resurrect. An unlikely partnership that blossoms when Dr Frankenstein suspects the grubby, hunchbacked urchin he comes across has a brilliant mind. So after a shower and a spot of hump draining (best bit in the entire film), the corpse re-animating begins, along with a hefty chunk of back-story that leaves the viewers interest struggling.

Bridge of Spies

DVD £9.99, Blu-ray £14.99

When you're constantly living on the edge, humour is going to be your best friend, and wit is just what Spielberg has brought to this Cold War thriller. American insurance lawyer (don't groan yet) James B Donovan (Tom Hanks), has been appointed to defend Mark Rylance's Rudolf Abel, a man of uncertain nationality whose been hauled out for a show trial. With everything to play for as human lives are being used as bargaining chips, the stakes are high as the sparks fly between Hanks and Rylance. *Bridge of Spies* is a playful movie that has the Constitution at its heart, executed in an intelligent and elegant fashion; that adds to its grip and intrigue, with Rylance's performance worthy of his Oscar win.

Netgear Arlo Q

www.arlo.com

Security cameras can be a pain in the arse sometimes, so you'll be relieved to know that Netgear's Arlo Q is sweet, simple and does exactly what it says on the box with minimal fuss. It has 1080p HD resolution, motion and sound alerts, night vision, two-way talk and 7-day cloud storage. There is a monthly fee for continuous storage but most users probably won't need this. There are the usual web and mobile apps but these are slightly behind the rest of the market, plus you can't have more than one person using the account at any one time, which is a big downside if you're a small business. However, if you're after something straight forward and not too pricey, then the Netgear Arlo Q is the bit of kit for you.

£89.99

Naim Mu-so Qb

www.johnlewis.com

When British brand Naim shuffled away slightly from the high-end market and turned its attention to wireless speakers, some crazy stuff started happening!

The Mu-so Qb looks like a featherweight but has proved itself a heavyweight with a big personality. Its qualities seem never-ending, from its compact build for smaller rooms to the sound quality that doesn't crack at high volume but instead stays clean and focused. The bass is rather grand and may cause sensitive neighbours to become a little obsessive with 101 calls. However, there are various excellent features such as the controller app, and it has Bluetooth and Wi-Fi connectivity for multiroom devices.

A lot of boom for your buck here.

The Polaroid Snap

www.amazon.co.uk

Hankering after something more retro and instant, but don't want the fuss of a clunky Polaroid? Then let me introduce the Polaroid Snap, a simple camera with a few buttons, no screen and a pop-up viewfinder that also turns the camera on. There are three colour selections available, which will give you the nostalgic look of a traditional Polaroid. After taking your shot, you only have to wait a few seconds before 2x3in print pops out, which are sticker backed for convenience. So you can load up the front of your fridge with as much nonsense as you care to shoot.

But let's not forget that it is also a 10MP camera, which will store a digital version of your shots. However, the print out refills are a little on the expensive side, but it's not a stumbling block. It's a USB charged novelty gift that proves excellent at parties!

One day we entered the studio to find sunlight streaming in and perfectly haloed by this blazing glory was Zoi. We rubbed our eyes in disbelief at the leggy beauty before us, and then, like all men, our thoughts ran immediately to our trousers. This was going to be a difficult one to hide. So in the end, we made no secret of the fact Zoi was pushing all our buttons and were outrageously flirtatious with her instead. I must say, she bore the whole ordeal very well, considering she was dealing with a bunch of dribbling idiots who had forgotten the foundations of the English language. So hats off or heads out as we preferred.♣

KARLIE 

Sprinklers at the ready chaps, Karlie Montana, needs hosing down after shooting in the hot and lusty climate of California. The alluring Arizona-born redhead filled us in on her recent exploits, showing us her bow has many strings. "If I'm not in front of the camera then I'm behind it directing."

Which do you prefer, starring or directing?

"There both so different, but I think I will always love starring and being part of the steamy action."

An excellent answer and we hope you'll carry on too, on screen and off, but partially on screen! ♣

Manon's Perfume

(Marc Dorcel)

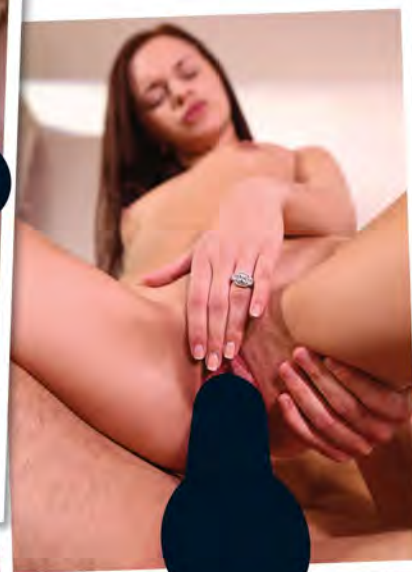

Starring: Anais Lacroix, Angelique, Anna Siline, Chloe Lacourt, Female French Tiramisu, Cecilia De Lys, Lea Guerlin, Manon Martin, Anissa Kate, Karin, Dean Van Damme, Guillaume Valmer, Kristof Cale, Male French Tiramisu, Max Casanova, Mike Angelo, Rico Simmons, Pascal Saint James, Josh, Madjik, and Pierre-Jean.

Synopsis: "One evening, while out on one of his nocturnal jaunts, Christophe crosses the path of Manon, a beautiful young student so like Karen that she could have been her twin."

Courtesy of Marc Dorcel Films

Verdict: Sophistication is the word to note here as giant mansions and elite nightclubs in the streets of Paris are the focus of Dorcel's, Manon's Perfume. The exploration of our darker side is tested throughout by impeccably dress characters, as Manon Martin proffers herself up for anything, and Christophe really does put Manon through her paces. A rich, diverse and boundary pushing film that delves deep into the complex desires of human pleasure.

Batman V Superman XXX

(Wicked Comix)

Starring: Aiden Ashley, Alison Tyler, Britney Amber, Carter Cruise, Kleio Valentien, Ryan Driller, Brendon Miller, Derrick Pierce, and Giovanni Francesco

Verdict: Verdict: This is a Comic Con wet dream! You really do wonder when Batman gets his leg over if 'Pow' is going to flash across the screen with every thrust! Unfortunately, it doesn't but that's the only fault I can find, as yet another Axel Braun Parody triumphs. There are some fantastic scenes, such as the one between Batman, Superman and the Amazonian Wonder Woman, who receives a super-fucking. Obviously, these guys have it all covered with their secret, superhero cock compartments, we were just wondering where we might get hold of one of these costumes. Strictly for research purposes of course.

PENNY ♣

The Sussex seductress is back, as our favourite British babe hits Club's front cover with enough force to knock down a lamppost. Oh, wait...ours is still standing ridged, but this may have something to do with the heavenly sight of Penny Lee's marvellous bust, that we seem to have become boggle-eyed over. If you can bear to tear your eyes away from Penny's Pillows for two seconds (yes, we know it's hard), then you'd do well to cast your eye over her cracking arse as well. We can safely say she's got the whole package, and in that respect, our packages have been growing in appreciation of all that is Penny.♣

CHARLIE CHUMS

Gavin has been my best friend ever since we were kids. We lived next door to each other back then, and through the years we have helped and supported one another through sick and sin! There's nothing I can't tell Gavin, from my deepest fears to the person that I most fancy fucking.

This being so, it wasn't difficult for me to admit to him that I'm bi-sexual, and that I fancy the fuck out of his current girlfriend Melissa! She's a beautiful creature and, since the first day I met her, I've wanted to get inside her delectable little panties. He whooped and cheered when I told him, and assured me that he was up for it, but only if I allowed him to watch.

I agreed to his watching, but as Melissa seemed to be straight, I was in doubt as to whether my dream of bedding her would ever come true. Gavin agreed to sound her out to see if she had ever had any fantasies about being with a woman. Her response seemed positive enough, as although she denied ever having thought about it, she felt it might be fun to make out with another woman, as long as she was attracted to the girl.

I began dropping in on them more often and inviting Melissa to go shopping or to a chick

flick with me. We became closer and it was not long before Gavin judged it was time for me to make my move on her. He had set it up beautifully by inviting me over to their flat on my birthday for a drink to celebrate. We had just been out for a great meal, and when we arrived back at their flat, Gavin popped the cork on a bottle of champers.

Melissa and I were sitting on beanbags by the fire, toasting our toes and sipping from glasses of bubbly, when Gavin began to talk about how he and I always shared our secrets. Melissa put her hand lightly on my thigh, and laughing, remarked that we had become pretty close friends over the past months and that she hoped that I would feel as comfortable sharing things with her as I did with Gavin.

Gavin smirked and suggested that I go ahead and tell Melissa what I wanted most for my birthday. Caught unawares, I blushed furiously – and sprayed a mouthful of champagne over the carpet. Melissa saved me from further embarrassment by looking me straight in the eye and telling me that Gavin had told her that I had either bi-sexual or lesbian leanings, and that I wanted to be with her.

She said that lately she had noticed the way I'd been looking at her, and that she had pretty much put two and two together. She wasn't sure if she was really bisexual, but that she was curious, and that she thought she would like to have sex with me on my birthday.

As she spoke her delicate fingers stroked the sheer nylon of my hold-up stockings and I felt my panty gusset dampen as my body reacted to her caress. Gavin refilled his glass and, sitting back into his favourite armchair, began to unzip his flies. Melissa and I agreed that he could stay and watch as long as he made no attempt to join in. Assured that Gavin was settled into his armchair, I reached for Melissa, and pushing her hair back from her face, I looked into her eyes as she wrapped her arms around my shoulders and placed her lips on mine. My tongue entered her mouth as our breasts rubbed together, and I felt

her nipples harden under her blouse.

I unbuttoned her top and eased it back over her shoulders. I had dreamed of seeing her naked breasts and as I hastily unsnapped her bra I bent down and sucked a cherry-coloured nipple between my lips. I gently tugged on it, before flicking it with my tongue. Melissa moaned and laid back on the beanbags as her hands tentatively touched my tits, and, leaning forward, I licked her cleavage, the faint smell of her perfume filling my waiting nostrils.

My hand travelled down her body, stopping between her legs. I moved my hand back and forth across her crotch, causing her to whimper and her legs to stiffen as she ground her cunt against my hand and slowly moved her pelvis up and down.

Her breathing became more rapid and she

was moaning softly as I opened the waistband of her tight skirt and peeled it down. Rolling down her pantyhose and G-string, I explored the sticky folds of her pussy lips as they peeped provocatively from her wet minge, before hastily removing my dress and peeling off my own moist panties. We were both naked, and the feel of her hot skin against mine was sensational. Melissa

“My tongue darted in and out of the folds of her pussy, exploring every tiny ridge and furrow.”

began to play with my nipples again, as I returned to sucking hers – my hot breath dancing across her hardening nipples, which stiffened even more as I wet their sensitive surface with my greedy tongue. After a few minutes with my attentions on her wobbling tits, Melissa spread her legs and motioned shyly for me to go down toward her pussy. “Lick me there,” she sighed. “I want to know how another woman’s tongue feels on

“...lapping like a kitten at cream, pushing my tongue as far into her warm and salty hole as I could.”

my cunt.”

My tongue darted in and out of the folds of her pussy, exploring every tiny ridge and furrow of her gooey love hole. I could taste her juices starting to flow as her cunt muscles began to contract and her hips began bucking. With a sigh of pleasure, she pushed my face into her crotch, gripping my hair tightly with her hands.

Behaving like a hot cum slut, Melissa began grinding her box hard against my face. Opening my mouth wide, I got a mouthful of her cum as she climaxed, her clenching cunt spewing out her sticky juices, and her groans of pleasure filling the room.

Once I'd caught my breath, she urged me to continue. But first she had another request: “Kiss me. I want to taste my cum from your lips,” she pleaded. Obliging, I moved up and put my dewy lips on hers, and her tongue flicked across them and began to lick and explore my mouth. Her muffled groans told me that she enjoyed the taste of her pleasuring.

As we continued to lock lips I eased two fingers into her dribbling cunt. I rubbed my fingers inside her, moving them around so that she would get the full effect. Then she had her second orgasm, this one even hotter and wetter than the first.

As she lay splayed upon the beanbags catching her breath, I worked my hand back up her body. Then I whispered huskily in her ear, “I'm wet for you. Please bring me off with your fingers and tongue.”

Melissa kissed me sweetly on the lips as we switched places. Sensuously, she licked my inner thighs, her tongue feeling warm and wet through the micro fibre of my nylon hold-ups. My twat was contracting and oozing as she started fucking me with her tongue, darting it over and around my clitoris. She kept her mouth clamped to my pussy and it began to clench and contort as I climaxed.

As she came up for air, Melissa's face was so wet with my juices that when she kissed me I could taste myself from her lips, just as she had tasted herself from mine. It was then that

I realised what a truly erotic experience it must have been for her to taste herself from another woman's lips for the first time. I, of course, had tasted myself before, because I like licking my fingers clean after masturbation and because I always like to lick my essence from the cock that has serviced me.

Melissa got up and went over to a cupboard and brought back a shiny silver dildo. I watched in amazement as she inserted the dildo deep inside her pussy – and I watched her with a growing degree of admiration as she produced another smaller dildo and, lubricating it with her cunt essence, worked it inside her anus. I would never have dreamed that she was that kind of girl.

All I could do was watch as the horny little bitch brought herself off with a double dicking from her vibrating sex toys. Her body shook for ages after she climaxed, and she was still panting when she pulled out the larger dildo and tossed it to me.

“Lick it and tell me if you like it,” she requested. I looked at the dildo in my hand. It was glistening and slimy and I tasted the goo on it with genuine relish. I liked it very much, and told her so. Melissa leaned back on the couch and spread her legs. I could see the wetness in her pussy and knew I would eat it. I crawled in front of her, positioning my face in front of her waiting hole.

She caressed my hair and then arched her back, pushing her pussy out to me. I didn't even touch it; I stayed on all fours and began to lick all around it. I wasn't the teacher any more...

I began licking her smooth pussy, lapping like a kitten at cream, pushing my tongue as far into her warm and salty hole as I could. As soon as Melissa began to moan, I sucked her pink pussy flaps into my mouth. I could taste her and feel the wetness on my face. She squealed and continued to grind her pussy on my chin. That's when she really came, and I was almost smothered with her pussy. I swallowed eagerly every drop of her fluids as though my life depended on it.

With my mind still reeling I heard a loud moan from Gavin, and as I swallowed the last drop I glanced over in his direction just in time to see him fire off a thick arch of creamy spunk. What a night!

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PORTHOLE

I'm a 22-year-old woman with a sexy figure and a pretty face. The fact is that I am constantly in heat, and have to masturbate almost incessantly to avoid severe headaches brought on by sexual tension. One guy at a time is not good enough for me – I prefer gangbangs. After all, while I'm young and attractive, I should live life to the full.

With this philosophy uppermost in my mind, I agreed to join a group of friends for a yachting cruise around the Mediterranean. I had fucked almost every one of them at some stage. They were nothing special, but they were amusing, and when they invited my mates and I along, we jumped at the offer.

It was a very large yacht with every luxury and a fair-sized crew. My mates and I drank, partied, sunbathed and screwed around. Even so, after the first couple of weeks I began to crave some fresh man-meat. I was looking around at the crew hoping, but they seemed so conscious of their positions that they ignored my promptings.

Then one morning, when I was suffering from a particularly bad hangover, opportunity knocked. Everyone had planned to go to town

“I sucked cock after cock, taking the full blast of their spuzz either down my throat or...”

for an excursion while the crew would be staying aboard. I declined to join them, using my hangover as an excuse.

The waiters were clearing away breakfast when the others set off, so I positioned myself with my legs spread wide apart and began stroking my pussy through my bikini bottoms. Vincent and Larry, the waiters, looked at me for a moment before abandoning their task.

Larry called

to the other crew members to come and look at what the: “prick-teasing slut,” was up to. I smiled at him and licked my finger salaciously. My musky essences had permeated the gusset of my bikini and I was in frantic need of violation and fuck-juice.

I cupped both my breasts, squeezing them so that they were straining the fabric of my bikini top. “Well, boys, do you all want some?” I offered as the rest of the crew appeared on deck.

They came at me like a herd, feeling and squeezing me everywhere. Two of the kitchen staff slid their hands under my bottom and held me roughly, thighs apart. Someone reached behind my back and unsnapped my bra, and my tits wobbled out. Vincent was now lightly stroking my pussy through my gusset, and I started to gyrate my pelvis as he continued teasing me, while I humped his hand in an effort to suck his fingers inside my cunt. He slapped my inside thigh and instructed me to wait while Larry pulled my bikini panties off.

Vincent pinched my clit while Larry inserted two fingers in my slot, moving them around the inside of my cunt. He must have found my

G-spot because my pussy spasmed and my juices squirted.

My belly was quivering and shaking as I lay back. All of the crew members present had pulled out their cocks by now. I grasped a shaft in each fist and slowly but firmly stroked them up and down. I could see that they loved what I was doing, as dribbles of pre-cum bubbled out of each cockhead.

Just as I approached my second orgasm, Vincent stopped stroking me... and I groaned with disappointment! But my frustration was mixed with anticipation as he gently pulled me off the seat and positioned me on my knees. Frantic cocks were pushed in my face, rubbing damply against my cheeks and hair, and I took the one nearest my lips into my mouth.

I licked the underside of that first cock with my tongue up to the helmet, which I circled delicately. I alternated between doing that and taking him all the way in. I could see the other crew members wanking and feel them rubbing their pricks against me. I continued to suck hard on the penis that was stuffed down my throat, enjoying the delicious tang of their salty pre-cum.

I sucked cock after cock, taking the full blast of their spuzz either down my throat or over my face and hair. I was being constantly groped, pinched and penetrated by exploring fingers, and my body tingled and ached from such rough usage.

With my face, hair and tits splashed with white globs of semen, I found myself being laid back on the deck with my legs spread wide. Many pairs of hands were unmercifully squeezing my breasts, while my nipples were pinched and someone started eating my pussy and licking my clit. I was in ecstasy but he stopped as I approached orgasm, and started rubbing the head of his prick between the lips of my pussy. He pushed his thick rod inside my cunt and proceeded to feed me his full length.

I was pumped hard by his steel-hard penis, and soon my pussy began to erupt. As my cunt pulsed, I thrust back against him in an effort to prolong my orgasm. My juices were trickling from between my pussy lips as he continued to piston in and out of me, and now I felt the intensity of his fucking increase until he erupted. As my orgasm subsided, he withdrew his flaccid member and I lay back breathing deeply, already eager for more.

I allowed them to lift me onto a sun lounger, and they laid me across it on my back. One

“The bloke behind shot his load inside my anus within a minute or two...”

of the crew got behind me and helped slide me back until my head was hanging over the edge. Then he crouched over me and proffered his balls. I lapped and slurped their wrinkled flesh for a few moments, and then wantonly licked the area between his balls and arsehole.

Meanwhile I felt a hand working on my pussy: pinching and massaging my clit. Someone else's fingers were deep-frigging my cunt and yet another bloke began to tug gently at my pubes. It nipped a bit, so I raised my head to see who it was... and couldn't believe what I saw. The man was hung like a horse! From my perspective it looked to be 10 or 11 inches long, and almost as thick as my wrist! Winking at me, he knelt down and began to lick my pussy, so I dropped my head back and took one of the waiting cocks inside my mouth. In that position, its owner was able to fuck my mouth deeply enough to actually get the head of his cock down into the upper part of my throat. I had to concentrate on repressing my gag reflex as he thrust slowly in and out. As my mouth was being penetrated, I could feel my pussy lips being pulled wide apart and the monster cock being forced inside. Even with the lubrication of the previous fucking it was a tight fit, but gradually I opened up. As he reamed me, I continued to suck and lick the other penis. I had become the crew's whore, and I revelled in the fact.

As the pleasure of being fucked intensified, I worked on the other pole more avidly... then impulsively ran my tongue around the rim of his anus. He immediately shot a huge load onto my body from my navel to my tits. "More spunk!" I heard myself squealing.

My pussy was being stretched very nearly out of shape by the huge penis that was buried and moving inside me, so I was bitterly disappointed when I felt his knob jerk out. However, he immediately lifted me off the lounge, and, taking my place, proceeded to lower me onto his cock. Slowly, I sank down on it until my flexible pussy had again swallowed all of him. It felt like his appendage was reaching into my stomach! Then I began

to hump him.

He pulled me down to him, holding me against his hard abdomen as I continued to fuck him. At that point I felt hands groping my body and tilting it forward. Then I felt something cool splash my arsehole and realised someone had squeezed lubricant there.

I soon relaxed, and, as I did, a finger slid into my arsehole. Then a second finger worked its way in, and began to move in and out. When he withdrew them, he placed his knob-head against my anus. He pushed a little, and I raised my head and gasped with pleasure as I swallowed his helmet with my sphincter. When he thrust again I pushed back, taking over half of his cock inside me. The sensation was incredible, and I whimpered and yelped in abandon as the two blokes began shafting me with alternating strokes.

The bloke behind shot his load inside my anus within a minute or two, and when he pulled out he left a little vacuum, which was quickly filled by another waiting crew member, who slipped his thick cock into my anal cavity with relative ease.

My rump was being rammed so hard and deep that it was all I could do to keep the cock in my mouth as I was buffeted joyously from different directions. My cunt was spilling my juices and I was slurping happily on delicious cock when I felt the meat in my hole stiffen and push all the way into me, and warm junk literally gushed into my pulsating rectum.

As he exited my gaping arsehole, I found myself swallowing globs of warm salty mess. With both my holes contracting and warm spunk in my mouth, I rode the monster in my cunt, and I climaxed with an absolute roar, milking the massive schlong of every salty drop with my cunt muscles.

GIVE IT TO ME!

SOME FILTHY TEXT MESSAGES, I MEAN!

RIGHT this moment, all across the UK, cock-hungry women of all ages are sitting in their homes waiting for ordinary guys like you to reach out to them for filthy text sex!

Imagine her, one hand on her mobile and the other idly teasing her moist shaven pussy...

We've got 100s of ladies on our books...from 19 to 78 years old and they come (or should I say cum!) in all shapes, sizes and nationalities from all over the UK. The only thing they have in common is that they love cock

and they want to have mobile fun with horny, fun-lovin' guys like you.

If you've never tried sexting then you're in for a treat...and with our automated system it's never been easier. All you have to do is text the trigger word GIVE to the shortcode here and we'll do all the hard work of finding a woman who's looking for the same as you...

If you want a woman from your area or a specific type just add it to your first text message...it's so easy.

LOVE IT WITH A LOCAL GIRL?

On your first message add the start of your postcode and we'll filter our listings to deliver ladies closest to you e.g. If you want to contact local women in Leeds text **GIVE** (space) **LS** to 89105. How easy is that?!

Never tried text sex? Wondering what all the fuss is about? Well, if you've ever read a Sunday paper you'll have seen all the celebs who've risked their marriage by sexting babes so it must be good, right?

It isn't good... it's fucking BRILLIANT! Text today and we'll hook you up with a frustrated woman with one hand on her phone and the other on her moist pussy!

Then you swap texts...and even your own private photos...until you eventually can't hold it in any longer and you get to orgasm together. Sound good?

CARLOTTA ♣

Riding in on the ocean tide with a cracking view, our Carlotta's certainly got nothing to hide, which ticks all our boxes. The buxom beauty left us wondering if she was responsible for the incoming tide.

"I'm always just as wet as this view; I seem to spend most of my time horny as hell!"

This sounds like an all hands on deck job, as Carlotta's in need of a salty blast from Master Bates!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Fecal Flood

Porter potty to another universe!

There wasn't a nappy big enough to hold this accident. A highway in Arizona made a right old stink, when a sewage lorry hauling porter-loos swerved violently in a bid to avoid a barrel that fell from another vehicle. The lorry rolled scattering porter-loos in all directions, fortunately the loos where empty, unfortunately the septic tank on top of the lorry wasn't. Human feces and urine flooded the highway as the tank

spat out enough colon curry to sink your local dodgy Indian. The waste couriers managed to clean up the majority of the mess but the Arizona state department is still in two minds weather further sanitation is required.

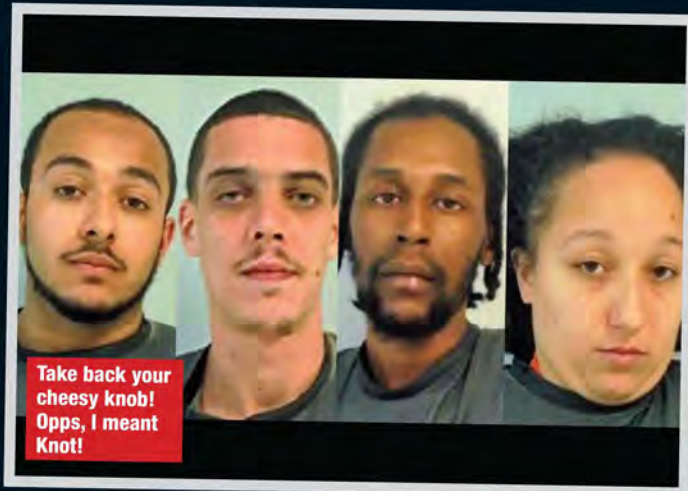

Knee Nibbler

Well, this is something to digest. 28-year-old, Lovely Robinson, has been charged with malicious wounding after using her nashers as a weapon on a Wendy's employee. The alleged incident took place after Robinson placed a food order in the drive-thru and was asked to pull forward as the order wasn't ready. The Wendy's employee brought the finished order out to Robinson who believed it to be incorrect and followed her inside demanding the order be corrected. A scuffle ensued where Robinson leapt over the counter, and the employee was bitten on the knee. Police arrived quickly to scene and arrested Robison, who isn't so lovely now.

Knobbled by my own knees!

Knickers in a knot!

Take back your cheesy knob! Opps, I meant Knot!

Garlic knots, for those of you not familiar with this Italian/American food item, just think dough balls that look like mini croissants, covered in garlic. Now who would have thought that such a small item could fuel a full on brawl? Well, four offenders spent the weekend on gaol after a fight a Palm Coast Pizza over these mini jewels. Jessica Conti, 25, became enraged after her garlic knots order came out with cheese on top. Conti's dough was refunded but she felt disrespected according to reports, so Conti and the three males she was with trashed the joint. Causing \$1000 worth of damage. The four perpetrators where later arrested.
